Welcome to Lucas YOUR first Town Centre Ambassador

Lucas joined us at the beginning August. If you have not yet had the pleasure of meeting him, you will do in the coming weeks. If you see him around town, do introduce yourself and make him feel welcome.

Lucas is actively engaging with businesses, representatives from the police, security teams and Horsham District Council. He has already supported a number of businesses in getting signed up to DISC, logging incidents and recording your feedback.

He has already reported a number of environmental, health and safety issues to WSCC and HDC and is keen to get to know you too. In his first 16 days Lucas visited 171 businesses, and reported over 200 environmental and other issues throughout the town.

Lucas will soon be joined by two more Ambassadors who will also undertake regular visits to meet you and understand your issues, challenges and concerns, as well as get feedback on how Your Horsham is working for you.

Your Ambassadors will deliver Newsletters, tell you about what is going on in Your Horsham and support you in any initiatives we are running. They will be the eyes and ears of Your Horsham so please get to know them and make them feel welcome. They all come from Horsham and have a passion for the town!
